Listen to the Music

```
I:      -------------------------------------------
        --------9---------9--9-----9--9-----10--9---
        --9-----9---9-----9--9-----9--9-----9---9---
        --9-----9---9-----9--9-----9--9-----11--9---
        --9>11------9>11-----9>11-----9>11--9-------
        -------------------------------------------

V:      E                                   A
        Don't you feel it growin' day by day?

        E                            C#m
        People getting ready for the news

                 B               A
        Some are happy, some are sad

                                 E    A
        Whoa gotta let the music play

V:      What the people need is a way to make 'em smile
        It ain't so hard to do if you know how
        Gotta get a message, get it on through
        Whoa now mamma goin' to after while

C:      C#m                A
        Whoa listen to the music

        C#m                A
        Whoa listen to the music

        C#m                A
        Whoa listen to the music

                F#   A
        All the time

V:      Well I know, you know baby everything I say
        Meet me in the country for a day
        We'll be happy and we'll dance
        Whoa gonna dance the blues away

V:      If I'm feelin' good to you, and you're feeling good to me
        There ain't nothing we can't do or say
        Feelin' good, feelin' fine
        Whoa baby let the music play

C:

M8:     E                     D
          Like a lazy flowing river

        A                        E
          Rounding castle in the sky

        E                          D
          And the crowd is growing bigger

        A
        Listening for the happening sound and I have to let them fly

C:      x3
