

# Kid Charlemagne

**I: C7#9**

**V: Am G6**  
While the music played you worked by candle light

**F6/9 Bb13**  
Those San Fransisco nights they were the best in town

**Am G6**  
Just by chance you crossed a diamond with a pearl

**F6/9 Bb13**  
You turned it on the world that's when you turned the world around

**F6 G Am G6 Dm7 Em7-Dm7**  
Did you feel like Jesus Did you realise

**Em7 Fmaj7 Em7-Dm7**  
That you were a champion in their eyes

**I: C7#9**

**V:** On the hill the stuff was laced with kerosene  
But yours was kitchen clean  
Everyone stopped to stare at your technicolor motorhome  
Every A-frame had your number on the wall  
You must have had it all  
You'd go to LA on a dare and you'd go it alone  
Could you live forever  
Could you see the day  
Did you feel your whole world fall apart and fade away

**C: Dm7 Em7 Dm7 Em7**  
Get along Get along Kid Charlemagne

**Dm7 Em7 F7-G7-C7**  
Get along Kid Charlemagne

**I: C7#9**

**V:** Now your patrons have all left you in the red  
Your low rent friends are dead  
This life can be very strange  
All those day-glo freaks who used to paint their face  
They've joined the human race, some things will never change  
Son you were mistaken  
You are obsolete  
Look at all the white men on the street

**V:** Clean this mess up else we'll all end up in jail  
Those test tubes and the scales, just get it all out of here  
Is there gas in the car?  
Yes there's gas in the car  
I think the people down the hall know who you are  
Careful what you carry  
Cause the man is wise  
You are still an outlaw in their eyes
