| **Ebm** / / / | **Bb** / / / | **C7** / **Eb/F** / | **Bb** / / / |

V: **Bb** **F/A**
When the rain is blowing in your face

Ab **Eb**
And the whole world is on your case

Ebm **Bb**
I could offer you a warm embrace

C7 **Eb/F** **Bb**
To make you feel my love

V: When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

B: **Eb** **Bb/F**
I know you haven't made your mind up yet

Gb+ **Eb/G** **Bb**
But I will never do you wrong

Eb **Bb**
I've known it from the moment that we met

C7 **F**
No doubt in my mind where you belong.

V: I'd go hungry; I'd go black and blue
And I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

V: *(Instrumental)*

B: The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

V: I could make you happy make your dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love
To make you feel my love
