Oh no, here it comes again
Cant remember when we came so close to love before
Hold on, good things never last
Nothings, in the past, it always seems to come again
Again and again and again

Cry out to legions of the brave
Time again to save us from the jackals of the street
Ride out, protectors of the realm
Capatins at the helm, sail across the sea of lights

Circles and rings, dragons and kings
Weaving a charm and a spell
Blessed by the night, holy and bright
Called by the toll of the bell

Bloodied angels fast descending
Moving on a never-bending light
Phantom figures free forever
Out of shadows, shining ever-bright

Neon knights!
Neon knights! all right!

Cry out to legions of the brave
Time again to save us from the jackals of the street
Ride out, protectors of the realm
Capatins at the helm, sail across the sea of lights
Again and again, again and again and again
