

# Whenever Wherever - Shakira

**Intro:** C#m, F#m, B, C#m, F#m, A, B

**Verse:** C#m  
Lucky you were born that far away so

G#7  
We could both make fun of distance

A  
Lucky that I love a foreign land for

E B  
The lucky fact of your existence

C#m  
Baby I would climb the Andes solely

G#7  
To count the freckles on your body

A  
Never could imagine there were only

E B  
Ten million ways to love somebody

**Bridge:** F#m  
Le do le le le le

C#m  
Le do le le le le

A B  
Can't you see, I'm at your feet?

**Chorus:** C#m A  
Whenever, wherever

E B  
We're meant to be together

C#m A  
I'll be there and you'll be near

F#m B  
And that's the deal my dear

C#m A  
Hereover, thereunder

E B  
You'll never have to wonder

C#m A  
We can always play by ear

F#m B  
But that's the deal my dear

**Intro:**

**Verse:** Lucky that my lips not only mumble  
They spill kisses like a fountain  
Lucky that my breasts are small and humble  
So you don't confuse them with mountains  
Lucky I have strong legs like my mother  
To run for cover when I need it  
And these two eyes are for no other  
The day you leave we'll cry a river

**Bridge:**

**Chorus: x2**
